Detailed description: The page features a central vertical blue line with a blue dot at the top and bottom. To the left of this line, there are nine rows of rhythmic notation. Each row is labeled with a red number in parentheses: (1), (2), (3), (4), (5), (6), (7), (8), and (9). Row (1) is a solid black bar. Rows (2) through (9) each consist of eight empty square boxes, representing eighth notes. The boxes are arranged in pairs of two, with a vertical line separating the two boxes in each pair. Below each pair of boxes, the numbers 1, 2, 3, and 4 are printed, indicating the sequence of notes. To the right of the central line, there are four pairs of empty square boxes, also representing eighth notes, with the numbers 1, 2, 3, and 4 printed below each pair.
